

Professional ESD SMT Splicing Tape With Clip for Universal Compatibility in SMT Processes

Our Product Introduction

for more products please visit us on smtmachinepart.com

Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: GSM1608/GSM1612/GSM1616/GSM1624
- Minimum Order Quantity: 1 box
- Price: USD+negotiable+box
- Packaging Details: 25*45*10mm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+box+per days

Product Specification

- Brand Name: GS
- Material: PET
- Model Number: GSM1608/GSM1612/GSM1616/GSM1624
- Product Name: Special ESD Black SMT Splice Tape
- Application: SMT Process
- Customization: Support
- Highlight: SMT Splicing Tape With Clip, SMT ESD Tape, GSM16 SMT Splicing Tape

Product Description

Professional PET ESD SMT Splicing Tape With Clip GSM16 Series

The GSM16 Series SMT Professional ESD Splice Tape with Clip is a premium product designed to enhance the efficiency and reliability of Surface Mount Technology (SMT) processes. Specifically engineered for compatibility with leading SMT machines such as those from Panasonic, Siemens, and Fuji, this professional-grade ESD (Electrostatic Discharge) black splice tape meets the rigorous demands of modern electronic manufacturing, ensuring superior performance and ease of use.

Applications of GSM16 Series Splice Tape

- 1. Joining SMT Carrier Tapes:** The primary use is to join SMT carrier tapes. The PET strips provide a robust and reliable connection, ensuring tapes remain securely joined during the SMT process.
- 2. Universal Compatibility:** Suitable for use with various SMT machines, including Juki, Sanyo, and Hitachi, making it a versatile choice for different manufacturing environments.
- 3. Enhanced Sensor Detection:** Sensor detects by metal or color for improved machine recognition.
- 4. Use with Splice Tool:** When used with a splice tool and clip, it creates a stronger connection, especially for larger carrier tapes.
- 5. Sharp Corner Design:** Features a sharp corner design that increases splicing success rates by ensuring more effective adhesion and reliable, durable joints.

SMT Professional ESD Splice Tape With Clip GSM16 Series | GSSMT, SMT splice tape, SMT splice tape for pick-and-place, SMT splicing solutions, SMT splice tape types, SMT splice tape price, SMT splice tape suppliers, SMT splice tape yellow, SMT splice tape black, SMT splice tape for feeders, SMT splice tape compatibility, SMT splice tape usage guide, High-quality SMT splice tape, SMT splice tape for Panasonic, SMT splice tape for Fuji, SMT splice tape adhesive, SMT splice tape performance, SMT splice tape advantages, SMT splice tape for high-speed machines, SMT splice tape durability, SMT splice tape best practices
