Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: GSM1508/GSM1512/GSM1516/GSM1524
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 22*36*10mm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Brand Name: GS
- Material: PET
- Model Number: GSM1508/GSM1512/GSM1516/GSM1524
- Product Name: SMT Double Splice Tape
- Application: SMT Process
- Customization: Support
- Highlight: **Universal SMT Double Splice Tape, GSM15 Double Splice Tape, 8 Holes Positioning SMT Splice Tape**

Product Description

8 Holes Positioning SMT Double Splice Tape Universal GSM15 Series

GSM15 Series 8 Holes Positioning Universal SMT Double Splice Tape

GSM15 series splice tape is designed for jointing carrier tapes in the SMT process. Constructed from high-quality tapes, polyester film, and release paper, this splice tape features superior adhesion properties for reliable performance in surface mount technology applications.

Advanced Features for Modern Manufacturing

Ease of Use - The GSM15 series splice tape is engineered for straightforward operation. Step-by-step instructions enable operators with minimal training to effectively use the splice tape. The simplified application process, from cutting carrier tapes to securing splices, minimizes time requirements and enhances operational efficiency.

Customization Options - Available in specific sizes upon request, providing flexibility to customize splice tape according to unique manufacturing requirements. This adaptability ensures optimal performance across diverse applications and production environments.

Durability and Longevity - High-quality construction ensures the GSM15 series withstands continuous use in demanding manufacturing environments. Durable materials and superior adhesion guarantee splices remain intact throughout production processes, reducing tape failures and minimizing production stoppages.
