

Universal Edge Positioning Light Blue Transparent PET SMT Double Splice Tape for Increased Machine Output

Our Product Introduction

for more products please visit us on smtmachinepart.com

Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: GSM0508/GSM0512/GSM0516/GSM0524
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 18*42*10mm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Brand Name: GS
- Material: PET
- Model Number: GSM0508/GSM0512/GSM0516/GSM0524
- Product Name: Double Splice Tape
- Application: SMT Process
- Customization: Support
- Highlight: **Universal Double Sided Splicing Tape, Edge Positioning Splicing Tape, Double Sided Splicing Tape GSM05**

Product Description

Universal Edge Positioning Double Sided Splicing Tape GSM05 Series

GSM05 Series Universal Edge Positioning Double Sided Splicing Tape

GSM0508 double splice tape features a light blue transparent PET material with a placement guide for easy alignment of cut carrier tapes. All sizes are supplied 500 pieces per box.

Key Advantages

Increased Machine Output

Boost pick-and-place machine output by 5% to 30% through seamless carrier tape splicing, minimizing downtime associated with reel changes and feeder reloads.

Reduced Downtime

Minimize production disruptions by reducing the frequency of reel changes, enabling continuous operation to meet tight production schedules and reduce operational costs.

Decreased Machine Wear and Tear

Extend machine lifespan and reduce maintenance costs by decreasing the abrasion and wear of components through reduced feeder reload frequency.

Easy Alignment

Ensure accurate carrier tape alignment with the built-in placement guide, reducing misalignment errors and creating a more efficient, reliable assembly line.

Universal Edge Positioning Double Sided Splicing Tape GSM05 Series | GSSMT, SMT double splice tape, SMT double splice tape for pick-and-place, SMT double splice tape yellow, SMT double splice tape suppliers, Double splice tape for SMT machines, SMT double splice tape adhesive, SMT double splice tape black, SMT double splice tape usage guide, SMT double splice tape for feeders, High-quality SMT double splice tape, SMT double splice tape price, SMT splice tape double-sided, Double splice tape for Panasonic SMT, Double splice tape for Fuji SMT, SMT double splice tape compatibility, Double splice tape for high-speed SMT machines, SMT double splice tape performance, SMT double splice tape durability, SMT splice tape double strength, SMT double splice tape best practices
