

Lightweight SMT Splicing Cutter with Sawtooth Clip and Ergonomic Grip for Precision Tape Cutting

Our Product Introduction

for more products please visit us on smtmachinepart.com

Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: GSMTL70
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 20cmx 8cm x 5cm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Brand Name: GS
- Model Number: GSMTL70
- Product Name: SMT Machine Tools Splicing Cutter
- Dimensions (pc): 17cmx 4.5cm X 3cm
- Material: SMT Process
- Customization: Support
- Weight: 0.1kg
- Lead Time: 1-7 Days
- Highlight: **Lightweight SMT Machine Tools, Blue SMT Machine Tools, Lightweight SMT Splicing Cutter**

Product Description

GSMTL70 Lightweight Blue SMT Machine Tools Splicing Cutter

The GSMTL70 Splicing Scissor is a high-quality, lightweight tool designed for precision and convenience in electronic assembly. Featuring a sawtooth clip and unique positioning function, this splicing scissor accurately cuts and aligns all sizes of carrier tape.

Applications

- Straight cuts on 8mm component reels for perfect results every time
- Unique pin guides provide accurate cutting with precise alignment
- Carrier tape accuracy ensures high-precision cutting and splicing

Key Advantages

- Improved alignment through placement pin guides for enhanced splicing accuracy
- Safety clamp keeps scissors securely closed when not in use
- Comfortable grip with lightweight, ergonomic design for ease of use

Operation Instructions

- Open safety clamp to release and spring open the scissors
- Position component carrier tape on the pitch placement pin guides
- Squeeze the handle to make an accurate cut on the carrier tape

The GSMTL70 Splicing Scissor is an essential tool for electronics manufacturing setups, offering precision, safety, and ease of use for all splicing requirements. Ensure perfect splices and alignment with this expertly designed tool.
