

Copper SMT Splice Clip 0.1mm Thickness AI Connector Clip for SMT Process GSM0900

Our Product Introduction

for more products please visit us on smtmachinepart.com

Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: GSM0900
- Minimum Order Quantity: 1 box
- Price: USD+negotiable+box
- Packaging Details: 10*10*10mm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+box+per days

Product Specification

- Brand Name: GS
- Model Number: GSM0900
- Product Name: SMT Splice Clip
- Thickness: 0.1mm
- Material: Copper
- Application: SMT Process
- Customization: Support
- Package: 4000pcs/box
- Highlight: Copper SMT Splice Clip, SMT Splice Clip 0.1mm

Product Description

Copper SMT Splice Clip 0.1mm Thickness AI Connector SMT Clip GSM0900

Product Overview

GSM0900 Copper Splicing Clips SMT AI Connector SMT Clip - A new generation sheet splice copper clip designed for enhanced safety and efficiency in SMT manufacturing processes.

Key Design Features

- Eliminates scrap side extension during jointing operations for operator safety
- Reduces copper scrap for more sustainable manufacturing
- Compatible with all carrier tapes splicing applications
- Ensures precision placement and secure splicing hold
- 0.1mm thickness for optimal performance

Manufacturing Advantages

Enhanced Safety

Eliminates risk of scrap side extension, protecting operators from hand injuries and maintaining a safe work environment.

Environmental Responsibility

Significantly reduces copper scrap waste, supporting sustainable manufacturing practices and cost efficiency.

Cost-Effective Performance

Robust construction ensures long-lasting reliability, reducing replacement frequency and maintenance costs.

High Precision Operation

Precision-engineered design compatible with all AI machines, ensuring consistent accuracy in splicing operations.
