

PTE Series Lift Gate Conveyor with PLC Control System 650mm Wide Channel and Cylinder Lift for PCB Handling

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: PTE-350 / PTE-460
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 2000*800*1200mm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Description: Production Line For Channel Requirements
- Cycle Time: About 10 Seconds
- Conveyor Speed: 0.5-20Meter/Mins Or Specified By Customer
- Power Supply And Electric Load: Single-phase 220VAC Up To 120VA
- Board Thickness: Minimum 0.6mm
- Condition: Original New
- Highlight: **PCB Lift Gate Conveyor, Lift Gate Conveyor PLC Control**

Product Description

PTE Series Lift Gate Conveyor with PLC Control System

Product Features

650mm wide channel (customizable to customer specifications) with multiple protection detection systems for safe and reliable operation

Cylinder lift mechanism with additional auxiliary positioning control for flexible and stable lifting performance

Advanced PLC control system with universal SMAME communication protocol

Product images and technical diagrams available upon request

Related Products & Applications:

PTE series Lift Gate Conveyor | GSSMT, SMT conveyor systems, PCB handling equipment, Automated PCB conveyors, Lift gate conveyor systems, PCB assembly line conveyors, SMT production line conveyors, PCB transport conveyors, Conveyor systems for PCB assembly, Automated PCB handling solutions, SMT line integration conveyors, PCB inspection conveyors, PCB loading conveyors, PCB unloading conveyors, Conveyor systems for SMT production, Automated PCB transport systems, SMT conveyor solutions, Lift gate conveyor solutions, PCB handling conveyors, SMT production line equipment
