

## PTK-D Series Dual Station Shuttle Conveyor with PLC Control System and Color Touch Screen Interface for Precision PCB Handling

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: PTK-D
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 800\*1800\*1200mm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

### Product Specification

- Description: Used To Adjust The Board's Running Direction To Different Paths
- Cycle Time: Determined By The Specific Itinerary And Requirements
- Power Supply And Electric Load: Single-phase 220V AC Up To 120VA
- Board Thickness: Minimum 0.6mm
- Highlight: **PCB Dual Station Shuttle Conveyor, SMT Dual Station Shuttle Conveyor**

## Product Description

### PCB Conveyors PTK-D Series Dual Station Shuttle Conveyor

#### Product Features

- Semi-closed design ensures the highest level of safety protection
- PLC control system with color touch screen operator interface
- Full data input positioning for easy understanding and operation
- Flexible access to board position with freely chosen direction
- Fast, smooth and precise displacement positioning
- Automatic width adjustment with precision screw drive displacement
- SMEMA communication compatibility
