

Anti-static Loading And Unloading Rack 535*460*570mm

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: GS535460570
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 600*200*650mm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Product Name: SMT Loading And Unloading Rack
- Product Specifications: 535*460*570mm
- Adjustable Range: 535x(50 - 390)mm
- Reference Positions: A 34mm, B 34mm
- Product Material: PP Side Panels, Galvanized Upper And Lower Bases
- Side Panel Slot Width: 5mm
- Side Panel Slot Depth: 3mm
- Side Panel Structure: 5 Pieces Assembled
- Slot Spacing/Number: 10mm / 50 PCS
- Condition: Condition
